

CommonStream

```
graph BT; Bz2stream --> CommonStream; Gzstream --> CommonStream; ZstdStream --> CommonStream;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'CommonStream'. Below it, three boxes labeled 'Bz2stream', 'Gzstream', and 'ZstdStream' are arranged horizontally. A horizontal line connects the top of these three boxes, and a vertical line with an upward-pointing arrow connects the center of this horizontal line to the bottom of the 'CommonStream' box, indicating that 'CommonStream' is the superclass for the other three.
